COORDINATOR &
FIELD MARSHALL

BRET MARTIN
FERNANDO MESA
AMA INTRO PILOT
INSTRUCTORS

Donation

Norris Weaver, one of the original Owls members, gave the Club his balsa supply left from many years of building models.

There are seven boxes of balsa in Kenny's workshop and can be used by any member at no cost.

On Loan to the Club ...from Charles

I had to climb the farm fence to retrieve a model recently, so I brought a ladder from home to do the task.

This is a very strong metal ladder much better suited for climbing farm fences. As I no longer need this ladder at home, and it was taking up storage space, I put it in our shelter behind the wooden stepladder normally stored there. It's available for any member to use when having to climb the farm fence or for general maintenance.

I marked the ladder with black marker 'On loan to the Owls'.

Club Officer Vacancy

The office of Vice President is currently vacant. Any member wishing to throw his hat into the ring is encouraged to do so. Contact Ron with your intention.

Also note that Fernando has been appointed to the position of Secretary following Charles' resignation.

Club Trainer

Charles built and donated this easy flyer for members . new & old . to fly.

Our youngest member, Jose, enjoys flying it and has shown remarkable improvement in his piloting abilities.

It is stored in the club house.

KennyWorld is hosting a 4 day weekend soaring event Feb. 28th ó March 2nd.

Use the link below or visit RC Groups for more information.
