Swap Meet News

The OWLS Swap meet was this past Saturday. In spite of cloudy weather and a brief downpour, it was well attended.

Founding Member Son's visit

Kenneth Goodwin was the OWLS founding father. His son Larry stopped by the club on November 6th for a surprise visit. He was surprised indeed to learn our meeting was cancelled due to bad weather. So he went fishing locally instead. He says hi to everyone and he's delighted the OWLS club is doing well and going strong.

Rockin' the Rockstar

Charles bought a Multiplex Rockstar kit from Bert and made a number of improvements. The Rockstar is a very acrobatic biplane that is no longer in production. Charles changed the firewall completely, then cut the cockpit out for easy access to the middle of the plane to place his receiver. The normal way to get to that spot is by removing the wings. He also changed the landing gear and finished it up with a new red paint job.
