## Charlie S. New Plane

Charlie S. sent me a photo of his new plane. I'm sure he's looking forward to getting it in the air.

## More New Planes

Alex G. is flying his Twin-engine Multiplex at the field.

## **Bob's New Plane**

Not to be outdone by all the new planes Bob is seen here getting his new beauty ready to take off. The Old Timers always said that, given enough power, anything could be made to fly. Good Luck Bob!

## **Owl's Field Struck by Severe Weather**

It doesn't just happen in the movies. A SHARKNADO struck the owls field as shown below, but Shawn was able to bring the ravenous Tiger Shark under control and had fun taking it through its paces.
