Uh Oh! Trouble in Jacksonville!

**FIRST COAST DAWN PATROL &

ATTENTION !

Southern Command has learned that the Axis Powers are launching an attack. With our runway being the largest in the area at 450' x 65' and the alternate grass strip we are prime target to stop out air superiority.

ACHTUNG!

The supreme power is calling all pilots to gather for a coordinated attack on the Gateway R/C Aerodrome on *October 14th - 16th 2022* to launch a massive attack over the skies of Jacksonville, FL

LANDING FEE: \$40.00

Am selling my Trainer jet. Maybe maximum 8 flights. Has 2 pilots, afterburner, nose wheel and nose wheel doors mod. No damage, just a few scuffs. See also: <https://www.motionrc.com/>
